

2024 Declaration ADI-Free /Free from Animal Derived Ingredients

Gisors, the 12th March 2024

Regard to the information available to us:

- Our suppliers of plastic parts qualified according to our supply requirements under the control of our internal IT111.
- Our suppliers of chemical products that we use (List of chemical products on request), and in accordance with our internal procurement procedure PO HSE 01.

We can affirm that no additive substance of animal origin is used during the assembly of our products on our site of Gisors.

We therefore hereby declare that our valves and equipment produced on our industrial site in Gisors are free from Animal Derived Ingredients.

This document follows the regulations in force and just cancel all previous communications on the subject.
